

## Wade Kirchner for Yuba City Council 2016

**Occupation: Educator**

**Age: 47**

Yuba City is a wonderful place to live and raise a family. We need the right leadership for our city as it continues to grow in the 21<sup>st</sup> century. I am running for Yuba City Council because items including fiscal responsibility, public safety, homelessness and addressing our aging infrastructure are my top priorities.

I have been a resident of Yuba City for over 47 years, and I have the proper qualifications to serve our residents on the city council. I am a father, husband, educator, civic volunteer and businessman. I have always sought positive changes for our city.

I earned a Bachelor of Arts degree in Social Studies from California State University Chico in 1992 and spent 15 years working in the private sector. Currently, I am a candidate for a Master's Degree in Educational leadership from Brandman University and work for Yuba City Unified School District.

As your representative on Yuba City Council, I pledge to address the priorities of public safety, quality of life, economic development and public participation. I ask for your vote on November 8, 2016.
