

# 2016 Winter Basketball League

**Youth League:** Emphasis will be placed on the development of the fundamentals of basketball, teamwork and self-esteem. We stress participation first and winning second!  
Practices are a maximum of one hour per week.

**Competitive League:** The Yuba City Youth Basketball program is a recreational-based league with competitive options in age groups where we have enough participants to support teams in both recreation and competitive divisions. All players that try out and are not selected for a competitive team will be automatically placed on a team in the recreation division.
