Bill Fuller, Public Information Officer: (530) 822-4809 or  
Janelle Saigeon, Administrative Assistant: (530) 822-4686

**Marc Boomgaarden  
Fire Chief**

At the California Emergency Services Association (CESA) Annual Conference, Yuba City Fire Department Administrative Analyst III Bill Fuller received CESA's Gold Award for his outstanding efforts in emergency management. The Gold Award is presented for exceptional efforts in the field of emergency management. It can be issued for preparedness efforts or for response to a specific event. Nominations come from the chapters, and awards may be for both public or private sector nominees. Each year CESA recognizes selected individuals and groups who have distinguished themselves while improving their community's emergency preparedness. As you know, Bill has had a long and successful history of facilitating and coordinating the emergency management efforts of the City. His efforts in creating the emergency preparedness/education brochure, known as Be Prepared Yuba City, was referenced. Approximately 35,000 copies of Be Prepared Yuba City have been distributed to households in the Yuba City/Sutter County area, with additional copies distributed to area residents and businesses. Please join me in congratulating Bill on receiving this statewide recognition of his efforts to make Yuba City a safer place.
