

City Hall Selfie Day

**CITY HALL
SELFIE**
#CityHallSelfie
ELGL

**August
15,
2018**

This year's #CityHallSelfie Day (sponsored by [ELGL](#) Engaging local government leaders) is Wednesday, August 15th. Of course, we really want Yuba City to win and be well represented. Yuba City may be small but it's (and its residents are) mighty! But we can only do this with the support from you. **ALL OF YOU**. Elected officials, appointed officials, municipal staff, and **YUBA CITY RESIDENTS**. Reach out to everyone you know and get them to participate! It's going to be the most fun day of the local government year!

What on Earth is City Hall Selfie Day?

Whether you work for the city or not, August 15th is the day to snap a selfie in front of your government building. This is your chance to show your love for the City of Yuba City, and all other forms of local government! Even if you live in the city or just happen to be passing through, stop and take a selfie.

Any local government building (public works garage, water treatment plant etc.) qualifies.

Plus, you could win an award! So could we! [ELGL](#) will be handing out trophies in twenty-one different categories. Woo hoo!

How Do I Participate?

Take a selfie: Get out in front of your local government building and snap a selfie. Take one alone or, even better, grab a friend, grab a coworker and take a group shot! This year at City Hall we will have a photo booth with props for use all day on August 15th. Get a great cup of Coffee from a local roaster and donuts for those early selfie enthusiasts from 8am to 10am and from 11am to 1pm local radio stations will be doing a remote broadcast. Have fun and take a selfie at City Hall.

Post it. Post the shot to our your social media account if you can. Remember, August 15th is the day! Be sure to use Hashtag [#CityHallSelfie](#) and [#YCCityHall](#) .

Send the City of Yuba City your pictures. We would love to share your pictures and connect the love across our own pages as well. Please email them to City of Yuba City George Barlow at; gbarlow@yubacity.net
